Proudly serving British Columbia for over 20 years. As an automation provider, we have designed and installed countless systems throughout the communities of British Columbia. Some of the gated communities include: Crystal Sands in Salmon Arm, Bella Vista Estates in Fairmont, Coldstream Estates in Windermere, Kootenay Estates in Invermere, Alpine Ridge and Alpine Trail in Fernie, Radium Resort, Columere RV and Marina Park, along with hundreds of private residences.

We have served as a presence throughout British Columbia, supplying and installing complete automatic gated entrances for over 20 years. We welcome the opportunity to develop an entrance plan with you. We specialize in bringing your thoughts and ideas to life using computer assisted design. This helps to create a working drawing that demonstrates to scale, all of your ideas and allows you to see your entrance plan become a reality.

Dependable Automatic Door and Gates Ltd. is a full compliment Company that provides initial free estimating to specification meeting, AutoCAD drawing, installation and service.

Having been involved in the automatic door industry for over 20 years has taught us that exceptional customer service and product knowledge coupled with reliable Stanley automatic door equipment will provide years of customer satisfaction. This business approach has allowed for the Stanley Automatic Door equipment to become a staple in key market areas such as Airports, Hospitals, Hardware Stores, Schools, Grocery Stores, and numerous industries and commercial business sectors.

We are at Dependable Automatic Door and Gates Ltd. are a standards driven company and comply to the ANSI and AAADM standards and regulations. Our Head Office is located in Kelowna and services the interior of British Columbia. Customer service is our main focus at Dependable and we strive to prove that every day.
