Route 97 Touring Program

Route 97 targets the touring and exploring markets include BC, AB, and; Fly-drive markets Ontario and California; EQ Explorer Types Authentic Experiencers and Cultural Explorers, secondary markets Free Spirits. Detailed targets for BC, AB, and WA markets utilize the Environics Analytics research exclusive to TOTA.

While the promotional component focuses on creating awareness of the Route97.net website as the key resource for trip planning and information while touring through the region, other elements support the Route 97 initiative including ongoing Pay Per Click (PPC) campaign, seasonal content with video, social content and advertising, contests, consumer shows, BLOG, billboards and map poster.

This program is in partnership with the North Central Washington Economic Development District (NCWEDD).
